

From The Wood

You can't fight City Hall.

Therefore, you should instead go into City Hall and jam up the toilets, squirt glue into the parking meters, and distribute fake and disruptive memorandums. Carbon-papering the mayor's signature will gain far more results than standing around holding a sign.

The Hymn of the Sneed Discordians

Everything is Nothing
Nothing is Everything
Something, though, is not Everything
Nor is Something Nothing
And Everything is Half-Off on Fridays
