## INTRODUCTION OF NEGATIVISM

To choose order over disorder, or disorder over order, is to accept a trip composed of both the creative and the destructive. But to choose the creative over the destructive is an all-creative trip composed of both order and disorder. To accomplish this, one need only accept creative disorder along with, and equal to, creative order, and also be willing to reject destructive order as an undesirable equal to destructive disorder.

The Curse of Greyface included the division of life into order/disorder as the essential positive/negative polarity, instead of building a game foundation with creative/destructive as the essential positive/negative. He has thereby caused man to endure the destructive aspects of order and has prevented man from effectively participating in the creative uses of disorder. Civilization reflects this unfortunate division.

POEE proclaims that the other division is preferable, and we work toward the proposition that creative disorder, like creative order, is possible and desirable; and that destructive order, like destructive disorder, is unnecessary and undesirable.

Seek the Sacred Chao - therein you will find the foolishness of all **ORDER/DISORDER**. They are the same!
